Unless otherwise indicated, the term "employees" shall refer to all employees of the Board, professional and non-professional, as noted above in Paragraph I.A., except in the Custodial/Maintenance/Grounds section of this Agreement, where the term "employees" shall refer to Custodial/Maintenance/Grounds employees only.

ARTICLE II NEGOTIATION PROCEDURE

- A. The Parties agree to enter into collective negotiations over a successor agreement in accordance with Chapter 123, Public Laws 1974 (N.J.S.A. 34:13A-1 Et Seq., as amended) in a good faith effort to reach agreement on all matters concerning the terms and conditions of bargaining unit members' employment. Such negotiations shall begin not later than November of the

calendar year preceding the calendar year in which this Agreement expires. Any agreement so negotiated shall apply to all employees, be reduced to writing, be signed, and be submitted to the Board and the Association for ratification.

During the term of this Agreement, neither party shall be required to negotiate with respect to any such matter whether or not covered by this Agreement and whether or not within the knowledge or contemplation of either or both of the parties at the time they negotiated or executed this Agreement.

<p style="text-align: center;">ARTICLE IV GRIEVANCE PROCEDURE</p>

A. Purpose:

- 1. The purpose of this procedure is to secure, at the lowest possible level, equitable solutions to the problems which may from time to time arise affecting the welfare or terms and conditions of employment of employees. Both parties agree that **every effort should be made to resolve disputes at the level from which they originate and that the participants act as objective problem solvers to reach outcomes efficiently and amicably.** Proceedings will be kept as informal as mutually agreeable and CONFIDENTIAL at every level of the procedure.
- 2. Nothing herein contained shall be construed as limiting the right of any employee or group of employees having a grievance to discuss the matters informally with any appropriate member of the administration, and having the grievance adjusted without intervention by the Association, provided the adjustment is not inconsistent with the terms of this Agreement.

B. Definitions:

- 1. A "grievance" is a claim based on any of the provisions of this Agreement and/or past common practice resulting from an event or condition which affects the welfare and/or terms and conditions of employment of an employee or group of employees and/or the interpretation, meaning or application thereof.
- 2. An "aggrieved person" is the person or persons making the claim and any person who might be required to take action or against whom action might be taken in order to resolve the claim.

4. The term "school days" shall include days school is in session during the regular school term, September through June, and all non-national holiday weekdays, Monday through Friday, during June, July and August.
5. An aggrieved person shall have thirty (30) school days from the date of the occurrence or the first knowledge of said occurrence to initiate a grievance. Failure to initiate a grievance within said period of time is deemed a waiver of all steps on the grievance procedure.

C. Procedure:

Since it is important the grievances be processed as rapidly as possible, the number of days indicated at each level should be considered as a maximum and every effort should be made to expedite the process. The time limits specified may, however, be extended by mutual agreement.

- F. Other leaves of absence without pay shall be granted by the Board or by the Superintendent with the approval of the Board for good reason of value to the employee and the district.
- G.
 - 1. Upon return from leave granted pursuant to Section B, C, or D of this Article, an employee shall be considered as if he were actively employed by the Board during the leave and shall be placed on the salary schedule at the level he would have achieved if he had not been absent, provided, however, that the time spent on said leave shall not count toward fulfillment of the time requirements for acquiring tenure. However, credit on the salary schedule for leaves taken pursuant to Section D of this Article shall be limited to a maximum of four (4) years. Upon return from leaves granted pursuant to Sections B, C, D of this Article, the salary increment received by the employee shall be determined by the value of leave to the position held by the employee.

SALARY SCHEDULE 1994/95 & 1995/96

A formula, using the 1993/94 salary as a base, will be used for 1994/95 and 1995/96. The formula will be restricted in terms of range. For 1994/95, the maximum increase in salary will be 2% over that of 1993/94, and maximum decrease will be 1 percent under the increase for 1993/94. Thus, for 1994/95, the possible salary adjustment will be 4.8 to 7.8. If the formula derives a number outside the range, the maximum (7.8) or minimum (4.8) salary increase, as appropriate, will go into effect. In the following year, after the formula is computed, the range will be restricted to +3% and -2% from the 1993/94 raise, thus producing a range of 3.8 to 8.8%.

1994/1995

The average of the following four factors will be used to determine salaries for 1994/1995:

- 25% Consumer Price Index average New York area for the period November 1, 1992 to October 31, 1993.
- 25% G-Factor: The average percentage of salary increases for 1994/95 for G factor schools whose salary for 1994/95 has been agreed to by contract, as of December 31, 1993.
- 25% The 1994/95 budget cap as determined by the State Department of Education
- 25% Increase in per capita personal income for Hunterdon County as provided by the Division of Labor Markets Demographic Research, NJ Department of Labor, Trenton, November 1, 1992 to October 31, 1993.

1995/1996

The average of the following four factors will be used to determine salaries for 1995/1996:

- 25% Consumer Price Index average New York Area for the period November 1, 1993 to October 31, 1994.
- 25% G-Factor: The average percentage of salary increases for 1995/96 for G factor schools whose salary for 1995/96 has been agreed to by contract, as of December 1994.
- 25% The 1995/96 budget cap as determined by the State Department of Education
- 25% Increase in per capita personal income for Hunterdon County as provided by the Division of Labor Markets Demographic Research, NJ Department of Labor, Trenton, November 1, 1993 to October 31, 1994.
